Room 605, 6th Floor, Ascendas Innovation Hub, No. 88 Tiangu 7th Road, High-tech Zone, Xi'an, Shaanxi, China

# Company Profile

Dorsen ElevatorParts supplies aftermarket and OEM-compatible elevator spare parts to maintenance companies, distributors, and engineering contractors worldwide.

From encoders and control boards to door systems, brakes, safety components and escalator parts — we match form, fit and application evidence before shipment, and support export documentation.

Based in Xi'an, China, we respond to quotation requests within 24 business hours with clear pricing, lead time and compatibility notes.

> **To be the world's highest quality elevator product supply chain service provider.**

# Why Source with DORSEN

### Part-number first

Quotes start from OEM part numbers, nameplates and photos — not guesswork.

### Pre-shipment check

Specs verified against evidence before dispatch when documentation is available.

### Export ready

Packing lists, invoices and shipping support for international B2B orders.

### Fast response

Sales reply within 24 business hours with price and availability.

### Focused catalogue

Curated SKUs across six chapters — controllers, doors, buttons, safety, traction, escalator.

### Independent supplier

Not affiliated with OEM brands; brand names identify compatibility only.

# How to Order

**01**

### Send part number

OEM part no., quantity, destination country, and photos of nameplate / product if available.

**02**

### Compatibility check

We confirm form-fit-application match or propose an aftermarket alternative.

**03**

### Quote within 24h

Price, lead time, packing and shipping options on business days.

**04**

### Ship & support

Export documents and packing suitable for international freight.

**Minimum info for a quote**

OEM part number · Quantity · Destination country · Elevator brand/model (if known) · Nameplate or product photos

# Quality & Compatibility

### OEM Compatible

Replacement components matched to OEM form, fit and application when evidence is available.

### Quality inspection

Product specifications verified; pre-shipment inspection support on request.

### Export documentation

Commercial invoice, packing list and shipping paperwork for global orders.

Brand names (KONE, OTIS, Schindler, Mitsubishi, etc.) are used solely to identify compatibility or intended application. Dorsen ElevatorParts is an independent aftermarket supplier and is not affiliated with or endorsed by those manufacturers.

# Contact & Global Service

Request a quote by part number — we serve maintenance companies and distributors worldwide.
