PRODUCT SERIES

CORE COMPONENTS

COMPLETE RANGE

DORSEN is a professional elevator components brand focused on the international market, delivering high-standard, carefully selected, OEM-compatible spare parts for global service companies, distributors, and maintenance contractors.

PRODUCT PORTFOLIO
PRODUCT SERIES

01

CONTROL & ELECTRONICS

Controllers, PCBs, encoders, brakes and related electronic replacement components.

49 products

02

DOOR SYSTEMS

Door operators, motors, locks, sensors and door machine components.

53 products

03

BUTTONS & COP / LOP

Landing and car operating panels, push buttons and COP/LOP components.

11 products

04

SAFETY COMPONENTS

Buffers, governors, safety gear and elevator safety system components.

10 products

TECHNICAL DATA

CORE PARAMETERS

MATERIAL	Steel, aluminum alloy, engineering plastics, copper components
SURFACE	Zinc plating, powder coating, anodizing, industrial paint finish
TEMPERATURE RANGE	-10°C to +55°C (standard); extended range available on request
IP RATING	IP20 – IP54 depending on component category and application
STANDARDS	EN 81-20, EN 81-50, GB/T 7588, ASME A17.1 reference compliance
VOLTAGE	AC 110V / 220V / 380V · DC 12V / 24V / 48V
CONTROL	VVVF, relay logic, serial communication, OEM protocol matching
LEAD TIME	Standard stock: 3–7 days · Custom orders: 15–30 days

EXPORT QUALITY

APPLICATIONS

USE CASES

 PASSENGER

Commercial buildings, offices, hotels, and residential towers.

 FREIGHT

Industrial logistics, warehouses, and heavy-load cargo lift systems.

 ESCALATOR

Shopping malls, transit hubs, and public infrastructure maintenance.

 VILLA

Private home lifts, compact machine rooms, and low-rise residential solutions.

 MEDICAL

Hospital bed lifts, stretcher elevators, and healthcare facility upgrades.

 CUSTOM / SPECIAL

Bespoke engineering, retrofit projects, and non-standard application support.

GLOBAL SERVICE

SERVICE COMMITMENT

FAST DELIVERY

Global warehousing with express shipping to 40+ countries.

FULL DOCUMENTATION

Technical datasheets, compliance certificates, and export documentation.

24/7 TECH SUPPORT

Engineering assistance for part identification and compatibility verification.

OEM / ODM

Custom manufacturing and project-based supply for distributors worldwide.

KEY CLIENTS

GLOBAL PARTNERS

OEM-compatible replacements for leading elevator brands

KONE	OTIS	SCHINDLER	TKE
MITSUBISHI	HYUNDAI	SIGMA	FERMATOR

Dorsen delivers consistent quality and responsive technical support for maintenance operations across multiple regions.

REGIONAL PROCUREMENT DIRECTOR, GLOBAL ELEVATOR SERVICE GROUP

COMPANY PROFILE

DORSEN ELEVATORPARTS

CORPORATE OVERVIEW

DORSEN is a professional elevator components brand focused on the international market, delivering high-standard, carefully selected, OEM-compatible spare parts for global service companies, distributors, and maintenance contractors.

With standardized warehousing and fast response, we cover encoders, PCB boards, door systems, safety components, and more — committed to stable supply and efficient delivery worldwide.

GLOBAL PRESENCE

Headquarters — Xi'an, Shaanxi, China

Worldwide export for maintenance and distributor orders

Xi'an, Shaanxi, China

MISSION STATEMENT

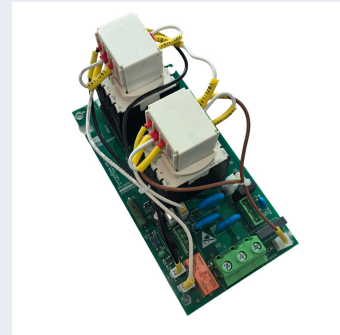

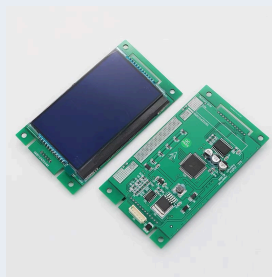

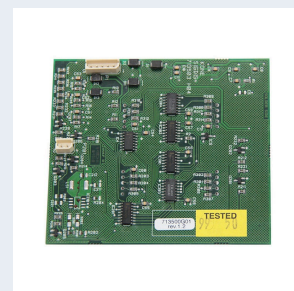

To be the world's highest quality elevator product supply chain service provider.
